Assessments Service in Oxford

Our assessment service in Oxford operates Monday to Friday

There are a variety of assessments available at our Oxford centre. You can take car driving assessments, Group 2 vehicle assessments (LGV & PSV), motorcycle assessments, and can also receive driving tuition. If you are elderly, you might be interested in our Older Driver Improvement services. Wheelchair/scooter loading assessments (including WAV) are also available. If you have trouble accessing your car, we offer driver and passenger seating/access assessments. There are also high-tech driving adaptation assessments, such as Drive From Wheelchair. Finally, if you have children, you might find it useful to know about the Paediatric assessments for car seating (including restraints) and powered wheelchairs.
